## **ARBITRATION COMMITTEE RULES**

Rule I. The Arbitration Committee shall consist of eleven members of the Board, of whom not exceeding five may be Directors, to be chosen by the President as soon after the annual meeting as possible. The President shall name one of the members as Chairman of the Committee. The Committee shall hold office until the election of their successors, and have power to fill vacancies in their number. Five members of the Committee shall constitute a quorum for the transaction of business.

Rule II. The members of the Arbitration Committee shall organize as soon as practicable after their appointment and choose a Clerk from their own number. The Executive Vice-President shall act as Custodian of its records.

Rule III. Before entering upon the duties of their office, the members of the Arbitration Committee shall take or subscribe to the following oath:

"I do swear that I will faithfully and fairly hear and examine the matters in controversy which may come before me during my tenure in office, and make a just award therein, according to the best of my understanding. So help me God."

Rule IV. All persons who may desire the services of the Arbitration Committee shall file with the Executive Vice-President a written request, containing a statement in reasonable detail of the matter to be arbitrated, and an agreement in writing, signed and attested, to submit their case to the Committee and to be bound by its recommendation.

Rule V. The Executive Vice-President shall refer the request and all pertinent data to the Grievance Committee for review. If, after a preliminary investigation, the Committee finds no evidence of the Board's Rules and Regulations having been violated and that the dispute cannot be settled satisfactorily without formal arbitration, then the matter shall be submitted to the Arbitration Committee.

Rule VI. The Chairman shall appoint three or more of the Committee to act upon any case submitted, and the recommendation of the majority of the Committee sitting upon any case shall be final, excepting that any person against whom a recommendation may be rendered shall have ten days after receipt of the Committee's decision in which to exercise the right of appeal to the full Committee. In cases of appeal to the full committee seven members shall constitute a quorum. The Committee, or any Sub-Committee thereof, shall have power to adjourn the hearing of any case from time to time as circumstances may require. In all meetings of the Committee full notes shall be made by the stenographers.

Rule VII. The Committee, or Sub-Committee, shall decide whether a hearing in any case submitted is expedient or within its powers, and shall give written notice through its Clerk to applicants for arbitration, of time and place appointed for the hearing of their case. Parties may bring witnesses before the Committee but not counsel.

Rule VIII. The proceedings of the Arbitration Committee shall be recorded in a book to be kept for that purpose, in which shall be entered a summary of each controversy submitted for the recommendation of the Committee, the award made thereon and the grounds for such award. Said book shall be the property of the Board and subject to the inspection of its members on application to the Executive Vice-President.

Rule IX. Each member of the Arbitration Committee who shall be present at the hearing of any case shall be entitled to a fee of five dollars per diem of service, to be paid by the party against whom the recommendation shall be rendered, except in such cases as the Committee, at their discretion shall otherwise order.

**CODE OF ETHICS  
OF THE  
NATIONAL ASSOCIATION OF REAL ESTATE BOARDS**

---

**Preamble**

Under all is the land. Upon its wise utilization and widely allocated ownership depend the survival and growth of free institutions and of our civilization. The Realtor is the instrumentality through which the land resource of the nation reaches its highest use and through which land ownership attains its widest distribution. He is a creator of homes, a builder of cities, a developer of industries and productive farms.

Such functions impose obligations beyond those of ordinary commerce; they impose grave social responsibility and a patriotic duty to which the Realtor should dedicate himself, and for which he should be diligent in preparing himself. The Realtor, therefore, is zealous to maintain and improve the standards of his calling and shares with his fellow-Realtors a common responsibility for its integrity and honor.

In the interpretation of his obligations, he can take no safer guide than that which has been handed down through twenty centuries, embodied in the Golden Rule:

"Whatsoever ye would that men should do unto you, do ye also unto them."

Accepting this standard as his own, every Realtor pledges himself to observe its spirit in all his dealings and to conduct his business in accordance with the following Code of Ethics adopted by the National Association of Real Estate Boards:

**PART I.**

**Professional Relations**

**ARTICLE 1.**

In the best interest of society, of his associates, and of his own business, the Realtor should be loyal to the real estate board of his community and active in its work; and he should willingly share with his fellow-members the lessons of his experience.

**ARTICLE 2.**

The Realtor should so conduct his business as to avoid controversies with his fellow-Realtors; but in the event of a controversy between Realtors who are members of the same real estate board, such controversy should be submitted for arbitration in accordance with the regulations of their board and not to a suit at law, and the decision in such arbitrations should be accepted as final and binding.

**ARTICLE 3.**

Controversies between Realtors who are not members of the same real estate board should be submitted for arbitration to an arbitration board consisting of one arbitrator chosen by each Realtor from a real estate board to which he belongs and of one other member, or a sufficient number of members to make an odd number, selected by the arbitrators thus chosen.

**ARTICLE 4.**

When a Realtor is charged with unethical practice, he should volun-

tarily place all pertinent facts before the proper tribunal of the real estate board of which he is a member, for investigation and judgment.

**ARTICLE 5.**

A Realtor should never publicly criticize a competitor; he should never express an opinion of a competitor's transaction unless requested to do so by one of the principals, and his opinion then should be rendered in accordance with strict professional courtesy and integrity.

**ARTICLE 6.**

A Realtor should never seek information about a competitor's transaction to use for the purpose of closing the transaction himself or diverting a customer to another property.

**ARTICLE 7.**

When a Realtor accepts a listing from another broker, the agency of the broker who offers the listing should be respected until it has expired and the property has come to the attention of the accepting Realtor from a different source, or until the owner, without solicitation, offers to list with the accepting Realtor; furthermore, such a listing should not be passed on to a third broker without the consent of the listing broker.

**ARTICLE 8.**

Negotiations concerning property which is listed with one Realtor exclusively should be carried on with the listing broker, not with the owner.

**ARTICLE 9.**

The Realtor should charge for his services only such fees as are fair and reasonable, and in accordance with local practice in similar transactions.

**ARTICLE 10.**

A Realtor should not solicit the services of any employee in the organization of a fellow-Realtor without the knowledge of the employer.

**ARTICLE 11.**

No sign should ever be placed on any property by a Realtor without the consent of the owner.

**PART II.**  
**Relations to Clients**

**ARTICLE 12.**

In justice to those who place their interests in his hands, the Realtor should endeavor always to be informed regarding the law, proposed legislation, and other essential facts and public policies which affect those interests.

**ARTICLE 13.**

In accepting the agency for property, the Realtor pledges himself to be fair to purchaser or tenant, as well as to the owner whom he represents and whose interests he should protect and promote as he would his own.

**ARTICLE 14.**

A Realtor should not buy for himself property listed with him, nor should he acquire any interest therein, without first making his true position clearly known to the listing owner.

**ARTICLE 15.**

When asked for a formal appraisal of real property, the Realtor should never give an unconsidered answer; his counsel constitutes a professional service which he should render only after having ascertained and weighed

the facts, and then in writing over his signature; for this service he should make a fair charge. The Realtor should not undertake to make an appraisal on any property in which he is in any way personally interested, unless such interest is specifically disclosed in the appraisal report; under no circumstances should he undertake to make a formal appraisal when his employment is contingent upon the amount of his appraisals. A Realtor should not advertise free appraisals. *A Realtor should not testify in court to the value of a property unless he has appraised the property.*

#### **ARTICLE 16.**

The Realtor should encourage the naming of the actual or an obviously nominal consideration in a deed.

#### **ARTICLE 17.**

When acting as agent in the management of property, a Realtor should not accept any commission, rebate, or profit on expenditures made for the owner, without his full knowledge and consent.

#### **ARTICLE 18.**

The exclusive listing of property should be urged and practiced by a Realtor as a means of eliminating misunderstanding and dissensions and assuring better service to the owner.

#### **ARTICLE 19.**

The acceptance by a Realtor of an exclusive listing imposes the obligation of rendering skilled and conscientious service; when a Realtor is unable to render such services either himself or with the aid of his fellow-Realtors, he should not accept the listing.

#### **ARTICLE 20.**

Before offering a property listed with him by the owner, it is the Realtor's duty to advise the owner honestly and intelligently regarding its fair market value.

#### **ARTICLE 21.**

In the event that more than one firm offer on a specific property is made before the owner has accepted a proposal, all offers should be presented to the owner for his decision.

### **PART III.**

#### **Relations to Customers and the Public**

#### **ARTICLE 22.**

It is the duty of every Realtor to protect the public against fraud, misrepresentation, or unethical practices in connection with real estate transactions.

#### **ARTICLE 23.**

Property should be offered by a Realtor solely on its merit without exaggeration, concealment, or any form of deception or misleading representation.

#### **ARTICLE 24.**

It is the duty of a Realtor to ascertain all pertinent facts concerning every property for which he accepts the agency, so that in offering the property he may avoid error, exaggeration, and misrepresentation.

#### **ARTICLE 25.**

A Realtor should never offer a property without the authorization of the owner.

**ARTICLE 26.**

The price at which a Realtor offers a property should not be higher than that which the owner has openly agreed to take.

**ARTICLE 27.**

Before a Realtor buys for a client property in the ownership of which the Realtor has an interest he should disclose his interest to all parties to the transaction.

**ARTICLE 28.**

Before a Realtor sells property in the ownership of which he is interested, he should make it clear to the purchaser that he is acting solely for the owner.

**ARTICLE 29.**

A Realtor when acting as a broker should make it clear for which party he is acting, and he should not receive compensation from more than one party except with the full knowledge and consent of all parties to the transaction.

**ARTICLE 30.**

Under no circumstances should a Realtor permit any property in his charge to be used for illegal or immoral purposes.

**ARTICLE 31.**

In closing transactions, the Realtor should advise the use of legal counsel when the interest of any party to the transaction appears to require it; and in all cases he should exercise care in the preparation of documents so that they shall embody the exact agreements reached.

**ARTICLE 32.**

At the time the agreement is reached as to the terms of a transaction the Realtor should fully inform each party regarding commissions and other expenses to which each is respectively liable.

**ARTICLE 33.**

Before the closing of a transaction, the Realtor should recommend the examination of title and conveyance papers.

**ARTICLE 34.**

All contracts and agreements to which a Realtor is a party should be made in writing and should be complete and exact.

**ARTICLE 35.**

A Realtor should not be instrumental in introducing into a neighborhood a character of property or use which will clearly be detrimental to property values in that neighborhood.

**ARTICLE 36.**

No instructions nor inducements from any client or customer relieve the Realtor from his responsibility strictly to observe this Code of Ethics.

**ADDENDA****I.****Suggestions to the Public**

*(The following suggestions are made, not as a part of this Code of Ethics, but to indicate to the public how they can co-operate with Realtors so as to secure the best service.)*

- (1) Your relationship with a real estate broker should be considered confidential; it is unfair to a broker for you to quote to others the terms and properties which he has offered you in confidence.

- (2) Competent counsel in connection with real estate transactions is valuable and proceeds from years of training and study; it should not be expected gratis.
- (8) By retaining the services of a single broker and placing your confidence in him, you enable him to render you more intelligent and satisfactory service.
- (4) Do not injure your property nor your broker's chances of serving you by quoting one price to the broker and another to a prospective purchaser.
- (5) Do not list your property unless you are willing and ready to sell it.
- (6) When you ask a Realtor for an opinion, you should expect it to be rendered in accordance with his best judgment, unbiased by your personal preferences.

## II.

The term *client* is used in this Code to denote one who retains a Realtor to represent his interests in real estate matters.

The term *customer* is used to denote one who transacts business with a Realtor but does not retain his services.

## III.

The By-Laws of the National Association of Real Estate Boards contain the following provisions:

### Article III.

"Section 1. Each member Board shall adopt the Code of Ethics of the National Association as a part of its rules and regulations for violation of which disciplinary action may be taken.

"Section 2. Any Member Board which shall neglect or refuse to maintain and enforce the Code of Ethics with respect to the business activities of its constituent members may, after due notice and opportunity for hearing, be expelled from membership in the National Association by the Board of Directors."

## BOSTON REAL ESTATE BOARD APPRaisal ADVISORY SERVICE

**Vote of the Board of Directors July 16, 1952**

"The Board shall make available to both public and private parties the means for securing group consideration and disinterested recommendations on subjects relating to appraisal and valuation, whenever such services are supplementary to individual fee services of one or more of its members, and are deemed desirable and prudent for the Board to render. Such services shall be supplied only after written submission of a statement of the problem, together with all pertinent evidence, and after acceptance by the applicant of the Board's statement of terms and conditions under which such services may be rendered. Such services shall be performed by a Committee of five or more appraisers to be appointed for the purpose by the President, with the approval of the Directors. The Committee's deliberations and recommendations shall be purely advisory and shall in no way be deemed to incur the liability of the Boston Real Estate Board or its officers and members."

**STANDARDS OF PRACTICE OF THE  
BROKERS INSTITUTE  
OF THE  
BOSTON REAL ESTATE BOARD**

**As Approved by Brokers Division, July 10, 1952**

---

The Realtors Code of Ethics of the National Association of Real Estate Boards is the basic Code of every Realtor. In addition, the following *Standards of Practice* have been established by the Brokers Institute of the Boston Real Estate Board for the guidance of its members.

1. Every broker and his employees should be familiar with the Realtors Code of Ethics and these Standards of Practice and is responsible for conducting his or her business in accordance with them.
2. When a broker employs a salesman, it is the obligation of the broker to give the salesman a copy of the Realtors Code of Ethics and the Standards of Practice of the Brokers Institute and thoroughly explain to him their meaning and application to the business.
3. When listing a property, the broker should have a clear understanding with his client whether or not he is employed as an exclusive broker and the terms of his employment, including the commission, to be paid by the client. Exclusive listings should be confirmed in writing.
4. A broker should give, when requested by another broker, accurate information concerning a property exclusively listed with him.
5. A broker should carefully list property received through another broker, particularly as to the broker's name and the date of the listing.
6. Only one broker's sign should be displayed on a property. The first broker who obtains the owner's consent shall have the right to place a sign on the property until such privilege is terminated by the owner.
7. The presence of a broker's sign on a property does not indicate an exclusive agency, unless so stated.
8. If the broker has an exclusive listing of the property, it should be indicated on his sign and in his advertising.
9. A broker's advertisement should have a fair and accurate description of the property. When the price is included, it should be the authorized asking price.
10. A broker should always disclose in his advertising his firm name or the fact that he is a broker or Realtor.
11. A broker should promptly submit all offers to his client.
12. A broker should give the same consideration to an offer received through another broker as if it had been obtained by himself.

13. Brokers should maintain the established schedule of Brokers Commissions.
  14. Brokers should not be required to share their commission with any person other than recognized brokers.
  15. Brokers who work together on a transaction should divide the commission according to agreement, made in advance, which should reflect the participation of the respective brokers. Only effective participation in the work of conducting the negotiation and closing the transaction should be the grounds for sharing the commission.
  16. A broker who is employed to negotiate in the interests of a buyer or lessee should disclose the fact to the seller or lessor, and the employer should pay the broker's commission.
  17. Disagreements between parties in a transaction which cannot be adjusted amicably should be referred to the Executive Vice-President of the Board for transmission to the appropriate Standing Committee of the Board. Litigation with owners or fellow brokers should be avoided.

In the cities and towns served by the  
Boston Real Estate Board**

### Auctioneers' Fees

---

*July 1, 1954*

(As revised December 23, 1952)

---

A broker negotiating a transaction of a type not included in these schedules, or concerning which any question as to the proper amount of commission is likely to arise, should arrange in advance for adequate compensation for his services.

## **DEFINITIONS**

**Central Boston** is defined as extending to the southwesterly lines of estates abutting on the southwesterly side of Massachusetts Avenue from the Roxbury Canal to the Charles River, and includes the area bounded by the above limits, the Charles River, Boston Harbor, Fort Point Channel, and Roxbury Canal.

**Boston Suburbs** are defined as including all districts of Boston outside of "Central Boston" and also Arlington, Belmont, Brookline, Cambridge, Chelsea, Dedham, Everett, Malden, Medford, Milton, Needham (except that portion between the Charles River and a line formed by the northerly boundaries of properties abutting on streets as follows: Great Plain Avenue from the Boston line to South Street; South Street to Charles River Street; Charles River Street to Grove Street and Grove Street to the Wellesley line), Newton, Revere, Somerville, Waltham, Watertown, Wellesley, Winchester and Winthrop.

**Farm:** More than three acres of land used chiefly for raising farm products or livestock.

**Land:** Vacant land not capable of yielding income except agricultural, at the time of lease or sale.

**Industrial Property:** Industrial properties are those premises used for warehouse, manufacturing, garage, and wharf purposes, and situated outside of Central Boston as herein defined.

---

## **RULES**

**Taxes Payable by Lessee.** Taxes on leased premises to be paid by Lessee shall be treated as part of the rent on which broker's commission is chargeable, using the taxes for the current year when ascertainable, otherwise those for the previous year, as a basis. In case of leased premises not previously assessed, the taxes may be estimated or the assessment thereof awaited.

**Long-Term Lease.** On a lease for a term of more than 21 years, the commission shall be computed on the first 21 years of the term only.

**Percentage Lease.** The commission on a lease containing a percentage rental clause shall be computed on the minimum rental for the entire term, payable when lease is executed and delivered. The broker shall be entitled to a further commission at the end of each year of the lease, based on the percentage rental paid for that year, and at the rate as shown by the Commission Schedule for the lease year in question. In the event of a sale of the property during the term of a percentage lease, the broker shall then be entitled to a commission based upon the rental of the previous year at the scheduled rates for the remaining years of the lease.

## **RULES—Continued**

**Extension Option in Lease.** When an option to extend a lease, as provided therein, is exercised the broker who negotiated the lease is entitled to receive from the lessor a commission on such extension; when such option is not exercised but the lessee remains as a tenant of the premises or a portion thereof the broker is entitled to receive from the lessor a commission on such continued tenancy during the term stated in the option; but the total commissions on the lease and on such extensions or such continued tenancy shall not exceed the amount chargeable for both considered as one term.

**Cancellation Option in Lease.** When the lessee has the option of cancelling a lease before the end of the stated term thereof, the commission shall be chargeable in the same manner as if the lease ran to the cancellation date with an option to extend the lease to the end of the stated term. In the case of an option to cancel, reserved by the lessor, the broker shall be entitled to a commission for the full term of the lease.

**Purchase Option in Lease.** In case of a lease containing an option to purchase, the broker is entitled in any event to a commission, as herein provided, for negotiating the lease. If the option to purchase is exercised, the broker is then entitled to receive from the original lessor an additional commission, if any be necessary, to make the total commissions equal a commission on the sale plus a commission on the lease up to the time of the transfer of title.

**Renewal of Lease.** When a broker is employed to renew a lease, he is entitled to a full commission if the lease is renewed with an increase of rent, or to a half commission if renewed without an increase of rent.

**Payment for Lease, Good Will, Merchandise, Fixtures or Other Assets or for Capital Stock of Corporation.** The broker is entitled to a commission of 5% of any consideration or price paid therefor and also to the regular commission on any lease thus disposed of; liabilities assumed in excess of actual assets being treated as cash payment.

**Payment for Option.** When an option, in the case of a contemplated sale or lease, is not exercised, the broker shall be entitled to receive one-half the amount paid for the option, or an amount equivalent to one-half of what the commission would have been on the contemplated transaction, whichever is the lesser.

**Forfeit of Earnest Money Deposit.** When a deposit is forfeited in the case of a contemplated lease or sale, the broker shall be entitled to receive one-half the amount forfeited, or an amount equivalent to one-half of what the commission would have been on the contemplated transaction, whichever is the lesser.

**Payments of Commissions.** A commission covering the full term of a lease is due and payable when fully executed leases are delivered to both parties, except as provided above for percentage leases, and cancellation and extension options. In case of a sale, the entire commission is due and payable at the time of conveyance.

## AUCTIONEERS' FEES (Unless otherwise agreed)

The scheduled commission rates on sales, based on the total price (including the aggregate sum secured by all mortgages to which the sale is subject) shall apply to all auction sales, subject to the following limitations:

1. Salesroom fees and such other expenses and advertising as are authorized by the seller shall be paid by the seller.
2. The auctioneer shall be paid reasonable compensation for services actually rendered by him if real estate advertised to be sold is sold or withdrawn from sale, previous to the advertised time of sale, or in the case of postponement, adjournment or continuation of the sale.
3. In a mortgage foreclosure sale, unless the property is sold to the holder of the mortgage or his representative, the auctioneer's fee as provided above shall be the regular commission based upon the total sale price including unpaid taxes if assumed by the buyer.
4. The minimum fee for a mortgage foreclosure sale, however, shall be 1/10th of 1% of the total price, but not less than \$15.00 nor more than \$100.00.

---

## ADVERTISING

The cost of advertising specific premises for sale or to let is an expense which the seller or lessor should bear, to an amount authorized by him. A broker should, however, bear the expense of his portable signs and his general advertising.

# **MEMBERSHIP RULES AND REGULATIONS**

## **BOSTON REAL ESTATE BOARD**

---

Whereas, one of the purposes of the Boston Real Estate Board is the promotion of standards of conduct among its members which shall protect the public dealing in real estate from unfair and fraudulent practices and maintain among the members of the Board in their dealings with each other such relations as shall benefit the whole body; and

Whereas, departures from such standards react upon the good name of the Board, curtail its influence, and injure all its members; and

Whereas, the by-laws of the Board provide that the Directors "shall adopt such rules and regulations as they may deem expedient for admission to and continuance of membership in the Board, and for the good order, comfort, and convenience of the members, and prescribe and enforce penalties for violation thereof. They may suspend or expel from membership in the Board any member guilty of any act which may be determined by them to be detrimental to the interest or welfare of the Board:" It is therefore

Resolved: That the Directors hereby adopt the following as

### **Rules and Regulations.**

I. Every member shall register with the Executive Vice-President an address, and subsequent changes thereof, where notices may be served. Notices to a member required by these rules and regulations shall be sufficient if delivered to him in person or if sent by registered mail to such address last registered or to his address appearing on the records of the Board if he shall have failed to register.

II. There shall be a standing Committee of five members to be known as the Committee on Discipline consisting of the following: one member who shall be Chairman, appointed by the President of the Board from the general membership of the Board; the immediate Past President of the Board; the Chairman of the Brokers Division; the President of the Building Owners and Managers Association; and the Chairman of the Arbitration Committee. In case any member of the Committee on Discipline is for any reason unable to serve, the President of the Board shall appoint from the general membership of the Board, the Past Presidents, the Arbitration Committee, the Brokers Division, or the Building Owners and Managers Association, according to the body represented by the member unable to serve, a substitute to act in that member's stead. Action of the Committee on Discipline shall be determined by a vote of a majority of the Committee consisting of the members and substitutes then acting.

III. The Code of Ethics of the National Association of Real Estate Boards is a part of these Rules and Regulations.

IV. In the event that any complaint, oral or written, charging a member with violation of any of the Rules and Regulations of the Board, is made to an officer of the Board it shall be the duty of such officer to reduce the charges to writing and to transmit the same forthwith to the Grievance Committee which

shall be a Standing Committee of the Board comprised of the Chairmen of the Committees on Arbitration, Professional Standards and Discipline. The Grievance Committee shall elect its own chairman from its members. Upon the receipt of such charges the Grievance Committee shall conduct a preliminary inquiry with respect to the merits thereof and shall give adequate notice of such charges to the member complained of and notify him that the Grievance Committee is investigating the same. The Grievance Committee also shall review requests for arbitration in accordance with Rule V of the Arbitration Committee Rules.

If, in the opinion of the majority of the Grievance Committee, the facts disclosed by this preliminary inquiry warrant further investigation, it shall refer the matter, specifying the charges in reasonable detail, to the appropriate Standing Committee for further action and shall notify the person involved in such complaint of such reference. If the matter is not disposed of by the appropriate Committee to which it has been referred and such Committee recommends in writing to the Grievance Committee that a formal complaint should issue, the Grievance Committee may issue such formal complaint. The Grievance Committee shall have the power to issue a formal complaint without reference to any other Committee in any case, and in so doing it shall specify the charges in reasonable detail.

If a formal complaint is issued against a member, it shall be referred to the Committee on Discipline and the member shall promptly be supplied by the Grievance Committee with a copy thereof, by mailing the same, postage prepaid, to his address as it appears on the records of the Board and such member shall have ten (10) days from the date of mailing of such copy in which to answer the complaint or such further time as the Committee on Discipline may deem proper.

The member's answer shall be in writing, signed by him, and filed with the Chairman of the Discipline Committee. Upon the answer being filed, or if the accused member shall refuse or neglect to make an answer as above required, the Committee on Discipline shall proceed with reasonable dispatch to consider the charges. The accused member shall be notified of a meeting of the Committee at which he will be entitled personally to attend, to present such testimony, defense, or information as he may deem proper and examine all the witnesses produced before the Committee.

After hearing the witnesses, and the accused member if he desires to be heard, the Committee on Discipline shall make a written report to the Directors containing a copy of the complaint previously filed with the President of the Board together with the findings and recommendations of the Committee.

The Directors shall consider the report of the Committee on Discipline and such other evidence as the Directors consider necessary for a just decision. The accused member shall be notified of a meeting of the Directors at which the report will be presented and he shall be invited to attend the meeting and be heard in person. At the meetings of the Directors at which the report is considered, a member of the Committee on Discipline designated by that committee shall be present to give such further information as the Directors require. At the meeting of the Directors held to hear the report or at some later meeting within thirty days thereafter the Directors shall determine what action, if any, shall be taken upon the complaint and charges and upon the report, and what penalty, if any, shall be imposed. They may refer the complaint back to the Committee on Discipline for further report.

Until final action by the directors on any complaint against a member, such member shall not be subject to any disciplinary action because of such complaint.

No member of the Board shall reveal the name of a member against whom a complaint is filed or the facts of such complaint except to the extent necessary for the performance of duties imposed by these Rules and Regulations.

No member shall act on such sub-committee or committee or on the Board of Directors in the investigation or hearing of a case involving himself or a partner or employee.

V. A member who shall be adjudged by a two-thirds vote of all the Directors to be guilty of:

- (1) acting dishonestly or fraudulently in relation to a client, customer, beneficiary, or another member;
- (2) advertising in such manner as to mislead or deceive;
- (3) violating any provision of the Code of Ethics of the National Association of Real Estate Boards applicable to him, heretofore or hereafter adopted;
- (4) conduct tending to foment discord in the Board or to discredit the Board before the public or to be detrimental to the interest or welfare of the Board;
- (5) failure to accede to a decision of the Arbitration Committee; or
- (6) violating any by-laws, rule or regulation of the Board;

shall be suspended or expelled from membership in the Board as the Directors shall determine that the merits of the case and the interest or welfare of the Board require.

VI. The Directors may by a two-thirds vote of the Directors present require that a member of the Board shall submit to the Directors or to any standing or special committee, for examination, such portion of his books and papers as are material and relevant to any complaint under investigation. Any member who shall refuse or neglect to comply with such requirement or shall wilfully destroy such required evidence, or who, being duly notified to appear, shall refuse or neglect to appear before the Directors or any standing or special committee as a witness, or so appearing shall refuse to testify, may be adjudged guilty of an act detrimental to the interest or welfare of the Board and suspended or expelled from membership in the Board by a two-thirds vote of all the Directors, and the method of procedure prescribed in Rule IV shall not apply.

VII. A member who shall be adjudged by the Directors to be in default in the punctual payment when due of any obligations to the Board other than admission or annual membership fees, may be suspended or expelled from membership in the Board, as the Directors shall determine, by a two-thirds vote of the Directors present, and the method of procedure prescribed in Rule IV shall not apply.

VIII. No member shall be allowed to be represented by professional counsel in any investigation or hearing before the Directors or any standing or special committee or sub-committee.

IX. When a member is expelled, all his rights and privileges as a member of the Board and in and to the property of the Board shall cease, and

when a member is suspended he shall be deprived of them during the period of his suspension, whether the member is a stockholder or not; provided, however, his expulsion or suspension shall not deprive him of any preferred stock held by him. The expulsion or suspension shall be announced publicly to the members of the Board in the Bulletin.

X. These Rules and Regulations may be added to, amended or repealed by the Directors. Notice of all proposed amendments shall be sent to each director and officer of the Board at least one week before acted upon. Nothing contained in them shall be taken to abridge the authority of the Directors to adopt such other rules and regulations as they may deem expedient for admission to and continuance of membership in the Board and for the good order, comfort and convenience of the members and to prescribe and enforce penalties for violations thereof; nor shall anything herein be taken to abridge the authority of the directors to suspend or expel from membership in the Board any member guilty of any act which may be determined by them to be detrimental to the interest or welfare of the Board, or their authority to take such action as they shall determine the interest or welfare of the Board requires. Except so far only as they are inconsistent herewith, no existing rules, regulations and standing orders are repealed hereby.

### Addenda

Annual membership dues are payable in full on the first day of January of each year. Members may pay dues in semi-annual or quarterly instalments on the first day of January, April, July and October. Additional copies may be ordered by any member in good standing by advance reservation and payment of fee prescribed by the Board of Directors.

A member whose membership dues remain unpaid two months after having become payable shall thereupon become suspended and, if the same remains unpaid at the end of the third month, shall be dropped from membership in the Board; but the Directors may, by affirmative action and for satisfactory cause shown, reinstate such member upon payment of unpaid dues.

To be eligible for Active membership, including the right to use the designation "Realtor", persons "directly engaged in the real estate business" shall have been in such business for at least one year.

No applicant for membership which includes the right to use the designation "Realtor" shall be elected from territory within the jurisdiction of a local real estate board affiliated with the National Association of Real Estate Boards unless the applicant is an active member of the Board having jurisdiction therein.

## FEDERAL STAMP TAXES

---

**Conveyances:** Deed, instrument, or writing (unless deposited in escrow before April 1, 1932), whereby any lands, tenements, or other realty sold shall be granted, assigned, transferred, or otherwise conveyed to, or vested in, the purchaser or purchasers, or any other person or persons, by his, her, or their direction, when the consideration or value of the interest or property conveyed, exclusive of the value of any lien or encumbrance remaining thereon at the time of sale, exceeds \$100 and does not exceed \$500, 55 cents; and for each additional \$500 or fractional part thereof, 55 cents. This section shall not apply to any instrument or writing given to secure a debt.

**"Corporation"** as used includes associations, joint stock companies and insurance companies.

**Bonds,** debentures or certificates of indebtedness issued by a corporation, and all instruments issued by a corporation with interest coupons or in registered form, known generally as "corporate securities," on each \$100 of face value or fraction thereof, 11 cents. Each extension or renewal must be stamped the same as an original. Stamps must be affixed either to the bonds or to the indenture under which they are issued. If affixed to the indenture, the bonds must bear an appropriate legend. This is a tax on issue.

**Bonds, etc., sales or transfers:** On all sales, or agreements to sell, or memoranda of sales or deliveries of, or transfers of legal title to any of the instruments mentioned in the Act and of a kind the issue of which is taxable thereunder, whether made by any assignment in blank or by any delivery, or by any paper or agreement or memorandum or other evidence of transfer or sale (whether entitling the holder in any manner to the benefit of such instrument or not), on each \$100 of face value or fraction thereof, 5 cents.

**Capital Stock—Original Issue.** On each original issue of certificates of stock or of profits or of interest in property or accumulations by any corporation: (a) where stock has par or face value, 11 cents on each \$100 of face value or fraction thereof; and (b) where stock is without par or face value, 11 cents per share, but if the actual value of the non-par stock is more than \$100 per share the tax is 11 cents on each \$100 of actual value or fraction thereof, and if its actual value is less than \$100 per share the tax is 3 cents on each \$20 of actual value or fraction thereof. Where a certificate represents more than one share having par value the tax is computed on the total face value of the certificate. Where a certificate represents more than one share having no par value the rate of tax is determined by the actual value of each share and the amount of tax, computed at such rate, is measured by the actual value of the certificate.

The stamps are to be attached to the stock books and not to the certificates.

**Capital Stock—Transfers.** On all transfers of stock in any corporation: (a) where stock has par or face value, 5 cents on each \$100 of face value or fraction thereof represented by the certificate; and (b) where stock is without par or face value, 5 cents per share. This tax applies to all sales, or agreements to sell, or memoranda of sales or deliveries of, or transfers of title to shares, certificates of stock or of profits or of interest, or rights. It does not apply to a deposit of certificates as collateral security for money loaned, to

loans of stock, or to deliveries to a broker for sale. It is advisable to consult the Regulations in unusual cases. When selling price, if any, is \$20 or more the above rate shall be 6 cents instead of 5 cents.

The stamps are to be placed on the certificate or on the agreement or memorandum of sale. A certificate assigned in blank must be accompanied by a memorandum of sale.

Stamp taxes on original issue are to be paid by the corporation issuing the bonds, stock, etc. Stamp taxes on transfers are to be paid by the transferor. Whoever *issues or accepts* any instrument, etc., without the full amount of tax thereon being duly paid is guilty of a misdemeanor and liable to a fine of not more than \$100 for each offense.

Stamps must be duly cancelled. The usual method is to write or stamp on them the initials of the user and the date. Three parallel incisions should be made lengthwise through a stamp of the value of 50 cents or more with a sharp instrument.

## MASSACHUSETTS STAMP TAX ON DEEDS

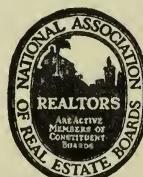

As provided by (64-D G.L. 1, 2), effective as of January 1, 1952, the grantor of a deed must affix Massachusetts excise stamps to the deed in the amount of \$1.00 when the consideration or value of the interest or property conveyed, exclusive of the value of any lien or encumbrance remaining thereon at the time of the sale exceeds \$100 and does not exceed \$500. For each additional \$500 of such value or fractional part thereof, 55¢ in stamps must be added.

The person affixing the stamps must write on stamp his initials thereon and the day when the stamps are used, and must cut or perforate them so that they cannot be used again.

This Stamp Act does not apply to any instrument or writing given to secure a debt, such as a mortgage.

There is provision for a penalty if a person knowingly makes a false affixation of stamps on a deed, but failure to affix such stamps does not invalidate the deed.

The stamps may be procured at various banks throughout the Commonwealth, with The Old Colony Trust Company of Boston as the distributing agent for the Department of Corporation and Taxation.
